SUMMARY

Aspiring Software Developer with strong foundations in C++, OOP, DBMS, OS, and Data Structures. Experienced in building efficient web applications and ML models using industry-standard tools.

SKILLS

Programming	C, C++, Java
Web Technologies	HTML, CSS, JavaScript
Frameworks & Libraries	React.js, Node.js, Express.js, JWT
Databases	MySQL, MongoDB
Tools	GitHub, VS Code

WORK EXPERIENCE

AIML Intern — Edunet Foundation Jun 2024 – Jul 2024

- Built a regression model predicting employee burnout with 92% accuracy on 22K+ records.
- Performed EDA, data cleaning, and ML pipeline development using Pandas and Scikit-learn.
- Earned IBM SkillsBuild Certification in AI/ML.

PROJECTS

JobSphere – MERN Stack Job Portal [GitHub](#)

- Built a secure full-stack MERN job portal with JWT authentication, role-based access (Admin/User) and real-time dashboards for managing jobs, resumes, and application status.
- Implemented an end-to-end recruitment workflow including job posting, resume uploads, application tracking (Pending, Shortlisted, Rejected), admin shortlisting, and interview scheduling.

Technologies: React.js, Node.js, Express.js, MongoDB, JWT

SmartExpense – Expense Tracker (React) [GitHub](#)

- Developed a React-based expense tracker with category-wise analytics, visual insights, and a responsive UI using Material UI.
- Implemented full CRUD operations with JSON Server to efficiently manage transactions and ensure persistent data storage.

Technologies: React.js, JSON Server, Material UI

Credit Card Fraud Detection [GitHub](#)

- Designed an end-to-end machine learning pipeline to detect fraudulent transactions from highly imbalanced datasets using preprocessing and feature scaling.
- Improved detection reliability by handling class imbalance and evaluating Logistic Regression, Decision Tree, Random Forest, and Gradient Boosting models.

Technologies: Python, Scikit-learn, Pandas, NumPy

EDUCATION

2022 – Present	B.Tech in Computer Science & Engineering , SRM University AP	CGPA: 7.3
2020 – 2022	Intermediate , Excellencia Junior College	GPA: 8.93

CERTIFICATIONS

- MongoDB Certified Associate Developer — MongoDB Inc.
